

are pleased to announce the
10th Finance, Risk Management and Financial Engineering Forum

to be held on **September 28 and 29, 2017**
at **Hotel Casablanca, Ciudad de México, México**

Objectives:

To contribute to the analysis of the evolution and perspectives of financial markets and institutions, to promote inter-institutional cooperation in order to further academic research on finance and risk management and to communicate research results.

Addressed to:

Academics, researchers, practitioners, decision makers and anyone interested in finance, risk management and financial engineering.

Topics:

- Financial markets and institutions.
- Risk management and financial engineering.
- Financial economics.
- Financial models.

Best Lecture Award:

The *American Academy of Financial Management* will grant a MX\$5,000 award to the best paper.

Requirements for authors:

- On line registration through the forum's web site (it is mandatory for the contact author to be registered).
- Each paper may have a maximum of three authors.
- Each author may submit up to three papers, both individually or collectively.
- At least one author's fee must be covered before August 25, 2017 for the paper to be scheduled.

Submission of the research paper's abstract:

The following must be sent electronically through the forum's web site:

- Please submit an abstract, one page long. In order to be considered, the abstract must include the following:
 - Title, main objective/objectives, a detailed description of the methodology used, results obtained, reach and limitations of the results and conclusions derived from the analysis of results.
- Due date for the submission of abstract: **Extended due date June 30, 2017**
- Due date for the submission of the full version of the research paper: **Extended due date June 30, 2017**
- Notification of acceptance/rejection from: July 9, 2017.

Lecture requirements:

- A 20 minutes power point presentation must be submitted.
- Due date for the submission of the presentation: August 25, 2017.

Requirements for possible publication of research papers:

- To be considered for publication, as part of a specialized collective book on risk management, the research paper must comply with the set of academic and editorial guidelines indicated in the forum's web site and the Grupo de Mercados e Instituciones Financieras web page <http://gimif.azc.uam.mx>. The research papers submitted must be original, unpublished and should not be undergoing any other publication procedure. All research papers will be double-blind peer-reviewed.
- Research papers must be sent to gimif@correo.azc.uam.mx

Deadline for the reception of research papers: January 28, 2018.

For further information write to: forofinanzas@correo.azc.uam.mx, or call to: +52 (55) 5318 9454, ext. 154 o5 157.

Web site: <http://fyar.azc.uam.mx>. Recovery fee: \$2,000 Mexican pesos or US\$110, until August 25, 2017, and \$2,500 Mexican pesos or US\$125 after August 28, 2017 (the fee includes coffee breaks, lunches and conference materials).
